

News from the President

October 15, 2025

Hey Rarity Bay Ladies,

I hope this finds everybody doing well. I can't believe that we are already almost in the middle of October. We have a lot of really exciting things coming up in the next few months. I hope to see everyone this Saturday at the CAC to raise money for the first responders. I know it's a busy weekend for everyone, but if you have a little extra time and you wanna just come here some fun music we would love for you to stop in and listen to music and give a small donation to the first responders. Please also check out the newsletter for a couple of learning labs that will be coming up. I know that Yvonne and Cindy would love to have you join them for making holiday cards. I hope that you all will register and come see us at the November fourth meeting. You will get to meet our 2026 board and thank your 2025 board for all of their hard work over this last year. We are also going to decorate tiny trees for the Children's Hospital. Come help us make a child's holiday in the hospital a little better. You can bring your own ornaments, or you can sign up for us to bring ornaments for you. Please see all the details on the Rarity Bay website. I hope to see you all soon. Enjoy the cooler, weather and the beautiful leaves.

Amy
