

## RARITY BAY WOMEN'S CLUB

### Our Mission Statement

*To provide and promote an inclusive social Environment, foster informational programs, enhance community relationships and support charitable works.*

In 1998 The Rarity Bay Women's Club (RBWC) was established with 38 members. The first President continues to be a Rarity Bay resident. Currently there are over 350 members of the RBWC as we continue to grow alongside our community.

The RBWC board diligently plans and executes events to support our mission statement. Including but not limited to; social events, learning labs (crafts, fitness, history, and more), birthday and lunch gatherings and occasions for fellowship with NEW friends and neighbors. Our charity events focus on giving back to the surrounding Rarity Bay communities.

Monthly, the General Meeting takes place, except for January and July. It is normally on the first Tuesday of the month. This year we are delighted to host the meetings at the Rarity Bay Country Club.

We look forward to meeting you at the General meetings, Newcomer or social events. We all look forward to you joining the Rarity Bay Women's Club and meeting you soon!

For more information contact us at [RBWC.info@gmail.com](mailto:RBWC.info@gmail.com)

Welcome to Rarity Bay!

*Shelley Bundy King*
