

WATeR Needs You!

**JOIN WATER AND HELP THE PEOPLE LIVING IN ALL THE COMMUNITIES AROUND THE LAKE
PROTECT AND IMPROVE THE ENVIRONMENT OF THE TELLICO WATERSHED.**

Our Priorities:

Watershed Cleanup - Volunteers from communities around the lake support our Annual Lakeshore Cleanup day in March as well as *Adopt a Site* locations that are maintained weekly.

Trail Building and Maintaining - Volunteers have built and maintain 30 miles of hiking trails. Our East Lakeshore Trail has been designated a National Recreation Trail.

Water Quality Improvement - Networking together to implement solutions that will improve the water quality in Tellico Reservoir watershed, i.e., the Madisonville waste water treatment improvement.

Education - Raise the level of awareness of environmental concerns in the Tellico Reservoir, especially among our young people.
